

Susquehanna Council Spring Camporee “Cook-o-ree” 2019

Can your Troop stand the heat, or should it...get lessons in the kitchen?

If your troop is in need of a brush up on the basics or looking to become true kitchen/outdoor kitchen experts, then the Council Spring Camporee is a great opportunity for them to enjoy! Using Dutch ovens is not the only opportunity that the boys will have!

Rather, they'll get to participate in a round-robin style focused on such important skills such as touring a restaurant style kitchen, No utensil cooking, Nutrition awareness, Grilling, Back pack cooking, and many, many more! This cook-o-ree promises to be fun, competitive, and unlike any other that the Council has put on in quite a while!

This is not a Merit Badge course, but a cooking expo on different equipment, techniques and experiences. Leaders are expected to keep Scouts safe and disciplined. All should have a day pack with mess kit which includes spoon, fork and water.

Campsites will be assigned at check in.

1-unit vehicle to drop off gear at campsite, that vehicle will go back to the parking lot. Same for Sunday.

Program Features

This camporee is for Scouts, BSA and Venturers only, as it is geared toward age-appropriate skills found in the Scout Handbook, merit badge pamphlets, and Venturing resources.

Cooking Contest

We are encouraging all units to get a head start on practicing in-unit cooking, with a cooking contest. Best desert, best main dish and GRAND CHAMP will be judged from both categories. Please note that fires should be above ground or in an approved fire ring. Be prepared. Items may be served in the Dutch oven, but it is not a requirement. The only requirement to this cooking contest is that it must be completed entirely by the youth, and not by the adults. May the best entries win.

Units are responsible for their own meals/snacks
