

**Is the Troop's Scoutmaster or the Crew/ Ship's Advisor Involved?**

The NYLT conference is designed to strengthen the relationship between the youth leader and his/her unit leader. The unit leader is strongly encouraged to have a post-conference session with the youth on how to best utilize the newly trained youth at the unit level. At this session the youth and adult leader will agree on the application of leadership skills learned at the NYLT conference that will benefit the unit's program and help to develop the youth's leadership skills.

Scouts BSA/ Venturers who participate in an active Outdoor Program probably already have the necessary personal equipment. *The Official Field Uniform will be worn for both Scouts BSA and Venturers.* Each participant should make sure badges and insignias conform to the regulations and guidelines outlined in *The Boy Scouts of America BSA Insignia Guide.*

## About NYLT

The National Youth Leadership Training Program (NYLT) is Scouts BSA's premiere youth leadership development program. It is offered in Councils throughout the country. NYLT is an intensive, fun, hands -on and challenging program that combines outdoor adventure and classroom instruction to provide youth with experiences and tools for becoming great leaders. NYLT focuses on the concepts of what a leader must **BE**, what a leader must **KNOW**, and what a leader must **DO**. Participants learn and develop skills such as communication; problem solving; presentation making; team development; working with adult leaders and youth in administrative areas; and Ethical decision -making. These skills learned at NYLT will benefit these young people not only as youth leaders but in other aspects of his life.

**“If you can SEE it, you can BE it!”**

As part of the NYLT course, participants are formed into patrols that work and camp together. Under the guidance of highly skilled youth staff, participants take part in indoor and outdoor challenges to develop and demonstrate their growing abilities. Activities include geocaching, pioneering, role - playing, games, team competitions, overnight backpacking, and camping are all integrated into the course syllabus to help practice these skills, which come alive as each participant goes on a personal Quest for their meaning of Leadership. NYLT participants are asked to commit to apply the leadership skills learned in NYLT and apply them in their home unit.
