Throwback Thursday
High Speed Internet
Paul Bunyan Woodsman Award

Total of 17 New Program Opportunities
New for our Program
New Look to Unit Photos
Welcome to the online registration system for Camp Karoondinha 2020!

The highlight of a scout's year is summer camp! With our new system, signing up for this life changing experience is easier than ever before!

To register for summer camp, please click the green "Register" button on the right for the week that you want to attend. You can then begin to build your contingent list of youth and adults. Create a profile so that you can come back later to pay camp balances and register for program sessions.

Before registering, please connect with your Pack, Troop, or Crew. This will help to avoid confusion and will ensure that there is only one summer camp reservation per scout/unit.
